

KIDS & TEENS CAMP PROGRAMME

NATURE & EXPLORATION

At Forsthofgut, nature becomes a place of learning. The surrounding forest, the miniGUT, the wildlife enclosure and the forest playground create the perfect setting for discovery. During explorer sessions with magnifying glasses, animal track reading and wildlife feeding, children are introduced to nature through playful experiences. They learn how to behave respectfully in the forest and become familiar with native tree and mushroom species.

> EXPLORER CAMP

- forest time
- space exploration
- bees & insects
- campfire cooking

4 days | ages 6-9

Dates & price on request

> RESEARCHER CAMP

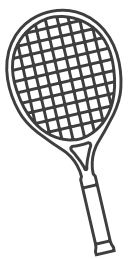

- space exploration
- art with natural materials
- experiment time
- campfire cooking & wood carving

4 days | ages 6-9

Dates & price on request

BALL SPORTS

Play, fun and action await at our soccer and tennis camps for all young ball sports enthusiasts. Together, we learn the essential basics or take existing skills to the next level. The camps include professional, age-appropriate training sessions that take into account each child's individual abilities. Through a variety of exercises, children not only improve their skills but also strengthen their confidence and focus. Active hours spent with like-minded participants also create the perfect opportunity to make new friends. It is an important part of what makes a great camp experience.

> TENNIS CAMP

- 2 groups, 1 hour per session
- divided by skill level

4 days | from age 8

Dates & price on request

> SOCCER CAMP

- 1,5 hours per session
- grouped by age

5 days | ages 6-9 & from age 10

Dates & price on request

ACTIVE & ADVENTURE

Our activity and adventure camps offer the perfect balance of indoor and outdoor experiences. Whether archery, a visit to the high ropes course, stand-up paddling on Lake Pillersee or mountain cart rides, every day is filled with shared adventures. Alongside active experiences that allow teens to truly let off steam, they also have the opportunity to develop new skills.
